

#I002 : Functioning mode

Braking Request

F03 : Brake

Braking Effort

Short description

This function converts a physical signal into electronical data with saturation above MaxValue and below MinValue

Requirements

I005=I002 [R001]

IF (I002 >= MaxValue) THEN
I005=MaxValue [R002]

IF (I002 <= MinValue) THEN
I005 = MinValue [R003]
