

#I003 : Measure 1

#I005 : Measure 2

#I002 : Functioning mode

#I006 : Failure

#[SingleBlock_F05] : Manage autonomous driving

Short description

This function applies filters on inputs, analyses inputs and computes data.

do :

$$I007 = f(I003, I005, I002)$$

#I007 : Data
