Technical functions

Sense & capture data

#[Single-Block_F01] : Function 1

#[Single-Block_F03] : Function 3

Calculate data

#[Single-Block_F06] : Function 6

#[Single-Block_F07] : Function 7

Realize physical action

#[Single-Block_F08] : Function 8

#[Single-Block_F09] : Function 9

The functional Breakdown Structure contains all the functions defined for the system.
Detailed description of functions can be accessed via the link in the box compartment.
